Product Description

Rechargeable Solar Battery 12v 100ah Energy Storage Lifepo4 Battery 200ah 24v Battery Lithium

It offers a significant weight reduction, enormous energy reserves and stable tension even under extreme loads. The memory was specially developed to fully meet the high demands placed on storage batteries today. Thanks to the latest lithium technology, the highest level of safety and a long service life are guaranteed even when the battery is regularly deeply discharged. It enables an extremely long cycle life and makes Maxli batteries the ideal traction battery.
