

Rechargeable Lifepo4 Battery Lithium Phosphate Battery 48v Wall Mounted Battery

Our Product Introduction

for more products please visit us on enikolnewenergy.com

Basic Information

- Place of Origin: China
- Brand Name: ENIKOL
- Certification: CE FCC UKCA UN38.3 MSDS
- Model Number: ESK4810CW
- Minimum Order Quantity: 1 piece
- Price: Negotiation
- Packaging Details: Wooden box packaging
- Delivery Time: 7-15days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 4000 pieces per week

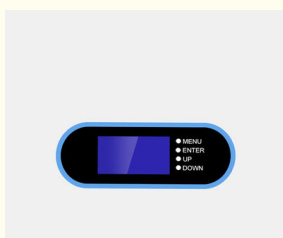

Product Specification

- Anode Material: LFP
- Rated Voltage: 51.2V
- Rated Capacity: 100AH(5120WH)
- Max Continuous Discharge Current: 100A
- Cycle Life: ≥ 6000 Times
- Shell Material: White Painted Steel
- Bms: Built-in
- Display: LCD
- Highlight: **Lithium Phosphate Battery 48v,
Lithium Phosphate Wall Mounted Battery,
Rechargeable Wall Mounted Battery**

Product Description

Model Number	ESK4810CW	Place of Origin	Shenzhen, China
Brand Name	ENIKOL	Battery Type	LiFePO4
Type	Wall mounted	Rated Capacity	100AH(5120WH)
Rated Voltage	51.2V	Display	LCD
Cycle life	≥6000 times	Certificate	CE FCC UKCA MSDS UN38.3
Communication function	RS485/RS232/CAN protocol	Protection	Built-in BMS
Shell Material	White painted steel	Warranty	5 years

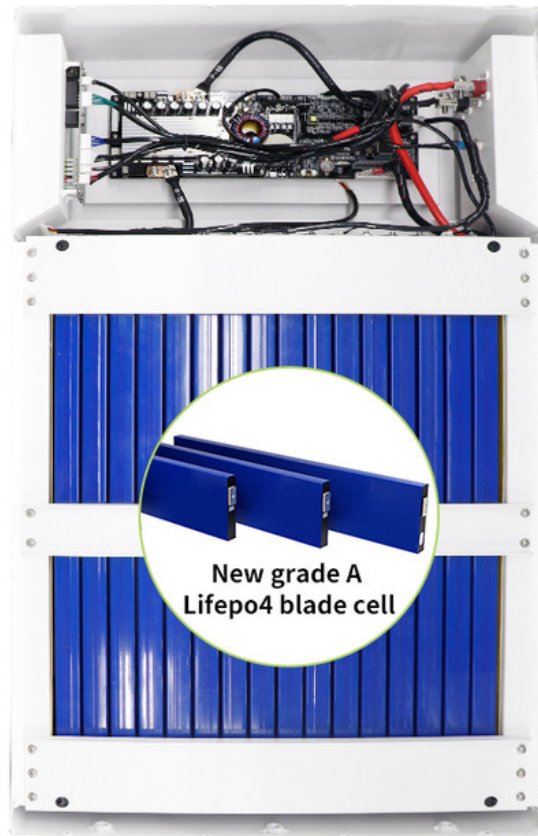

Product Description:

The Rated Capacity of this Wall Mountable LiFePO4 Energy Storage is 100AH(5120WH), making it perfect for residential as well as commercial use. It can provide enough power to run your home or business for a long time without any interruptions. Whether you are looking for a 5kwh Wall Mount Lithium Battery for your home or a 5kwh lithium ion battery for your business, this Wall Mountable LiFePO4 Energy Storage is the perfect solution. With its sturdy construction and reliable performance, it is sure to provide you with the power you need when you need it the most.

Features:

Product Name: Wall Mounted LiFePO4 Battery

Rated Voltage: 51.2V
Anode Material: LFP
Display: LCD
Model: ESK-4810CW (Wall Mounted)
Max Charging Current: 100A
48v solar energy battery
5kwh Wall Mount Lithium Battery
48v lifepo4 battery

Applications:

ENIKOL ESK4810CW is a 48V 100Ah LiFePo4 battery designed for energy storage systems. With a capacity of 5kWh, this wall-mounted lithium battery is perfect for various applications such as household, commercial, and industrial use. The battery has a cycle life of more than 6000 times, making it reliable and long-lasting.

The ESK4810CW model is ideal for use in homes and small businesses. It can be used to store solar energy for later use, providing a reliable backup power source during power outages. The LCD display on the battery makes it easy to monitor the battery's performance and status. The battery is also certified with CE, FCC, UKCA, UN38.3 and MSDS, ensuring its safety and quality.

For larger energy storage systems, the ENIKOL ESK4810CW can be used in parallel with up to 16 batteries. This allows for a maximum capacity of 10kWh with a discharge end voltage of 44V. The battery has a maximum charging current of 100A, making it quick to charge and ready to use.

The ESK4810CW model is easy to install and comes with a wooden box packaging. The minimum order quantity is one piece, and the price is USD665. Delivery time is 7-15 days, and payment terms include T/T, L/C, D/A, D/P, Western Union, and MoneyGram. With a supply ability of 4000 pieces per week, the ENIKOL ESK4810CW is a reliable and cost-effective solution for energy storage needs.

Support and Services:

Our Wall Mounted LiFePo4 Battery product comes with the following Technical Support and Services:

[Installation guidance and support](#)

[Remote monitoring and diagnostics](#)

[24/7 technical assistance](#)

[Maintenance and repair services](#)

[Warranty and replacement options](#)

Our team of experts is dedicated to providing you with reliable and efficient support throughout the lifetime of your product. Please do not hesitate to reach out to us for any assistance you may need.

We want to say:

Damien new energy technology (Shenzhen) Co., Ltd. has gained a remarkable position in the concerned industry through years of efforts, and there is a great possibility that the company will achieve a greater advancement in the future. The advancement in technology brings us unlimited benefits which include expanded product advantages. Smart Backup Storage Lifepo4 Batterie 48v 100ah 5kwh 48v Lithium Solar Battery Powerwall Lifepo4 Battery is perfect for the area(s) of Energy Storage Battery. In the process of continuous entrepreneurial innovation, Damien new energy technology (Shenzhen) Co., Ltd. always adhere to the business philosophy of 'quality comes first'. We will grasp the opportunities of the times and always keep up with the industry trends. We believe that one day we will become one of the leading enterprises in the global market.
