

Power Wall Mounted 300Ah 48V LiFePo4 Battery Lithium For Solar With Smart BMS

Our Product Introduction

for more products please visit us on enikolnewenergy.com

Basic Information

- Place of Origin: Shenzhen.China
- Brand Name: ENIKOL
- Certification: CE FCC UKCA UN38.3 MSDS
- Model Number: ESK-4830CWT
- Minimum Order Quantity: 1 piece
- Price: Negotiable
- Packaging Details: Wooden box packaging
- Delivery Time: 7-15days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 4000 pieces per week

Product Specification

- Charging Voltage: 58.4V
- Mounting Type: Wall Mounted
- BMS: Built In BMS
- Shell Material: White Painted Steel
- Max Charging Current: 200A
- Max Parallel: 16 Sets
- Rated Voltage: 51.2V
- Display: LCD/ Touchable Screen
- Highlight: Wall Mounted 48V LiFePo4 Battery,
48V Wall Mounted LiFePo4 Battery,
300Ah 48V LiFePo4 Battery

Product Description

Product Description:

Product Model	ESK-4830CWT
Type of Battery	Lithium Iron Phosphate
Max Parallel	16 sets
Rated Capacity	300AH (15360WH)
Rated Voltage	51.2V
Charging Voltage	58.4V
Weight	125kg
Dimension (L * W * H)	975*460*280mm
Display	LCD/ Touchable screen
Warranty	5 years
Communication Function	CAN/RS485/RS232
Shell Material	White painted steel
Cycle Life	≥6000 times
Charging Temperature	0 to +55
Operating Temperature	-20 to +65

The Wall Mounted LiFePo4 Battery comes with communication functions such as RS485/RS232/CAN Protocol, allowing for easy integration with your existing system. This feature also makes monitoring and control more convenient, ensuring that you are always aware of your battery's status.

Designed with a wall mounting type, this battery is easy to install and can be placed in any location that suits your needs. The Wall Mountable LiFePo4 Energy Storage is perfect for commercial and residential applications, providing reliable and efficient energy storage. The Wall Mounted LiFePo4 Battery has a maximum charging current of 200A and a charging voltage of 58.4V, making it a powerful solution for your energy storage needs. With a 48v 200ah lifepo4 battery, you can be sure that you have the energy you need to power your equipment and appliances for extended periods of time.

Whether you are looking for a reliable backup power source or a sustainable energy storage solution, the Wall Mounted LiFePo4 Battery is the perfect choice. With its powerful performance and easy-to-install design, it is an excellent investment for any energy-conscious individual or business.

Invest in the best energy storage solution today with our 48v lifepo4 battery. Order now and experience the convenience and efficiency of the Wall Mounted LiFePo4 Battery.

Features:

Product Name: Wall Mounted LiFePo4 Battery
Shell Material: White Painted Steel
Anode Material: Lithium Iron Phosphate (LiFePO4)
Max parallel: 16 Sets
Rated Capacity: 300AH (15360WH)
Rated Voltage: 51.2V
Keyword: 48v solar energy battery, 48v lifepo4 battery, 48v lifepo4 battery

Technical Parameters:

Product Attribute	Technical Specification
Product Name	Wall Mountable LiFePo4 Energy Storage
Max Charging Current	200A
Max parallel	16 Sets
Charging Voltage	58.4V
Rated Capacity	300AH (15360WH)
Mounting Type	Wall Mounted
BMS	Built In BMS
Anode Material	Lithium Iron Phosphate (LiFePO4)
Display	LCD/ Touchable Screen
Rated Voltage	51.2V
Communication function	RS485/RS232/CAN Protocol

Applications:

The ENIKOL Wall Mounted LiFePo4 Battery is a reliable and high-quality 48v 200ah lifepo4 battery that is suitable for various applications. This battery can be used in a variety of occasions and scenarios such as:

Residential and commercial solar energy systems: This product is perfect for powering up solar panels and storing excess energy for later use.

Off-grid power systems: The ENIKOL Wall Mounted LiFePo4 Battery can be used in remote areas where there is no access to the power grid.

Emergency backup power systems: This battery can be used as a backup power source during power outages.

Electric vehicles: The ENIKOL Wall Mounted LiFePo4 Battery can be used as a power source for electric vehicles such as golf carts and electric bikes.

The ENIKOL Wall Mounted LiFePo4 Battery comes with an LCD/touchable screen display that shows the battery's status. The max charging current for this product is 200A and the shell material is made of white painted steel. This product is a reliable and durable option for those who need a high-quality 48v lifepo4 battery.

Customization:

Product: 5kwh Wall Mount Lithium Battery

Brand Name: ENIKOL

Model Number: ESK-4830CWT

Place of Origin: Shenzhen.China

Certification: CE FCC UKCA UN38.3 MSDS

Minimum Order Quantity: 1 piece

Price: Negotiable

Packaging Details: Wooden box packaging

Delivery Time: 7-15days

Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram

Supply Ability: 4000 pieces per week

Mounting Type: Wall Mounted

Max continuous discharge current: 200A

Rated Capacity: 300AH (15360WH)

Charging Voltage: 58.4V

BMS: Built In BMS

This battery with a capacity of 48v 200ah lifepo4 battery is perfect for wall-mounted installations in homes, offices, and other applications.

7-inch **touchable** screen

Support and Services:

The Wall Mounted LiFePo4 Battery product is backed by excellent technical support and services to ensure the best performance and longevity of the product. Our team of experts is available to assist with any questions or issues you may encounter during installation, operation, or maintenance. Our technical support includes:

Installation guidance and support

Troubleshooting assistance

Product performance optimization

Warranty support

In addition to technical support, we also offer various services to enhance the functionality of the Wall Mounted LiFePo4 Battery product.

These services include:

Battery system design and engineering

Customized battery configurations

Installation and commissioning services

Battery monitoring and management

Training and education

Our commitment to delivering quality technical support and services ensures that our customers receive the best experience possible with our Wall Mounted LiFePo4 Battery product.

Packing and Shipping:

The Wall Mounted LiFePo4 Battery product will be securely packed in a sturdy cardboard box with appropriate cushioning materials to ensure safe delivery. The product will also be accompanied by a user manual and all necessary accessories.

Shipping:

Shipping will be done via reputable courier services to ensure prompt and safe delivery. Delivery times may vary depending on the destination, but customers will be provided with a tracking number to monitor the status of their shipment. Please note that additional shipping charges may apply depending on the location of the delivery address.

FAQ:

Q1: What is the brand name of this Wall Mounted LiFePo4 Battery?

A1: The brand name of this Wall Mounted LiFePo4 Battery is ENIKOL.

Q2: What is the model number of this Wall Mounted LiFePo4 Battery?

A2: The model number of this Wall Mounted LiFePo4 Battery is ESK-4830CWT.

Q3: What is the place of origin of this Wall Mounted LiFePo4 Battery?

A3: The place of origin of this Wall Mounted LiFePo4 Battery is Shenzhen, China.

Q4: What certifications does this Wall Mounted LiFePo4 Battery have?

A4: This Wall Mounted LiFePo4 Battery has CE, FCC, UKCA, UN38.3, and MSDS certifications.

Q5: What is the minimum order quantity for this Wall Mounted LiFePo4 Battery?

A5: The minimum order quantity for this Wall Mounted LiFePo4 Battery is 1 piece. However, the price is negotiable for larger orders.

Q6: What are the packaging details for this Wall Mounted LiFePo4 Battery?

A6: The packaging details for this Wall Mounted LiFePo4 Battery include wooden box packaging.

Q7: What is the delivery time for this Wall Mounted LiFePo4 Battery?

A7: The delivery time for this Wall Mounted LiFePo4 Battery is 7-15 days.

Q8: What are the payment terms for this Wall Mounted LiFePo4 Battery?

A8: The payment terms for this Wall Mounted LiFePo4 Battery include T/T, L/C, D/A, D/P, Western Union, and MoneyGram.

Q9: What is the supply ability for this Wall Mounted LiFePo4 Battery?

A9: The supply ability for this Wall Mounted LiFePo4 Battery is 4000 pieces per week.
